- Number of drought-mitigating natural assets created, enhanced, or restored
- Number of earthquake-mitigating natural assets created, enhanced, or restored
- Number of erosion-mitigating natural assets created, enhanced, or restored
- Number of extreme weather-mitigating natural assets created, enhanced, or restored
- Number of flood-mitigating natural assets created, enhanced, or restored
- Number of landslide-mitigating natural assets created, enhanced, or restored
- Number of wildfire-mitigating natural assets created, enhanced, or restored

Investments in structural assets

- Number of drought-mitigating structural assets created, enhanced, or renewed
- Number of earthquake-mitigating structural assets created, enhanced, or renewed
- Number of erosion-mitigating structural assets created, enhanced, or renewed
- Number of extreme weather-mitigating structural assets created, enhanced, or renewed
- Number of flood-mitigating structural assets created, enhanced, or renewed
- Number of landslide-mitigating structural assets created, enhanced, or renewed
- Number of wildfire-mitigating structural assets created, enhanced, or renewed

Drinking Water

Investments in water distribution systems

- Length of existing watermains rehabilitated or replaced
- Length of new watermains installed
- Number of hydrants installed or replaced
- Number of pump stations built, enhanced, or renewed
- Number of water meters installed or replaced

Investments in water sources

- Number of dams constructed, improved, or renewed
- Number of wells constructed, improved, or renewed

Investments in water storage systems

- Number of reservoirs constructed, expanded, or rehabilitated
- Number of storage tanks installed, expanded, rehabilitated, or replaced
- Number of water towers constructed, upgraded, or rehabilitated

Investments in water treatment systems

- Number of water treatment facilities constructed, upgraded, or rehabilitated

Fire Stations

Investments in fire stations

- Number of fire stations constructed
- Number of fire stations renovated, expanded, or upgraded

Local Roads and Bridges – Active Transportation

Investments in bicycle infrastructure

- Length of bike lanes constructed or installed
- Length of bike lanes rehabilitated or replaced
- Length of bike paths and trails constructed or installed
- Length of bike paths and trails rehabilitated or replaced
- Length of cycle tracks constructed or installed
- Length of cycle tracks rehabilitated or replaced
- Number of bicycle crossings installed, upgraded, or replaced

Investments in pedestrian infrastructure

- Length of pedestrian lanes constructed or installed
- Length of pedestrian lanes rehabilitated or replaced
- Length of pedestrian paths and trails constructed or installed
- Length of pedestrian paths and trails rehabilitated or replaced
- Length of sidewalks constructed or installed
- Length of sidewalks rehabilitated or replaced
- Number of pedestrian crossings installed, upgraded, or replaced

Investments in shared infrastructure

- Length of multi-use paths and trails constructed or installed
- Length of multi-use paths rehabilitated or replaced

Investments in bridges for pedestrians and cyclists

- Number of bridges constructed or installed
- Number of bridges rehabilitated or replaced
- Surface area of bridges constructed or installed
- Surface area of bridges rehabilitated or replaced

Investments in other infrastructure

- Number of streetlights installed, acquired, upgraded, or replaced

Local Roads and Bridges – Bridges

- Number of new bridges
- Number of rehabilitated or replaced bridges
- Surface area of new bridges
- Surface area of rehabilitated or replaced bridges

Local Roads and Bridges – Culverts

- Number of new culverts
- Number of rehabilitated or replaced culverts
- Surface area of new culverts
- Surface area of rehabilitated or replaced culverts

Local Roads and Bridges – Other

- Number of salt or sand storage facilities constructed
- Number of salt or sand storage facilities expanded, rehabilitated, or replaced

Local Roads and Bridges – Roads

Investments in roadways

- Length of paved roads constructed or acquired and length of unpaved roads converted to paved roads
- Length of paved roads rehabilitated or replaced
- Length of unpaved roads constructed or acquired and length of paved roads converted to unpaved roads
- Length of unpaved roads rehabilitated or replaced

Investments in intersections and crossings

- Number of signalized intersections created or acquired
- Number of signalized intersections upgraded, rehabilitated, or replaced
- Number of railway or light rail crossings created or acquired
- Number of railway or light rail crossings upgraded, rehabilitated, or replaced
- Number of roundabouts created or acquired
- Number of roundabouts upgraded, rehabilitated, or replaced
- Length of tunnels created or acquired
- Length of tunnels rehabilitated or replaced

Investments in other roadway infrastructure

- Number of streetlights installed, acquired, upgraded, or replaced
- Number of traffic calming measures installed, rehabilitated, or replaced

Public Transit

Investments in passenger facilities

- Number of park & ride lots constructed, expanded, or rehabilitated
- Number of stations and terminals constructed, expanded, rehabilitated, or replaced
- Number of stops and shelters constructed, expanded, rehabilitated, or replaced

Investments in support facilities

- Number of maintenance and storage facilities constructed, expanded, or rehabilitated
- Number of power facilities constructed, expanded, or rehabilitated

Investments in transit rights-of-way

- Length of bridges constructed, expanded, rehabilitated, or replaced
- Length of railways, tracks, and guideways constructed, extended, rehabilitated, or replaced
- Length of roadways and bus lanes constructed, extended, rehabilitated, or replaced
- Length of tunnels constructed, extended, rehabilitated, or replaced

Investments in transit vehicles

- Number of conventional buses purchased or acquired
- Number of conventional buses refurbished or replaced
- Number of green buses purchased or acquired
- Number of green buses refurbished or replaced
- Number of ferries purchased, acquired, refurbished, or replaced
- Number of street cars or rail cars purchased or acquired
- Number of street cars or rail cars refurbished or replaced
- Number of para transit vehicles purchased or acquired
- Number of para transit vehicles refurbished or replaced
- Number of transit support vehicles purchased, acquired, refurbished, or replaced

Recreation

Investments in curling facilities

- Number of curling facilities constructed, expanded, upgraded, or rehabilitated
- Number of curling rinks constructed, upgraded, rehabilitated, or replaced

Investments in ice rinks and arenas

- Number of indoor arenas constructed, expanded, upgraded, or rehabilitated
- Number of outdoor arenas constructed, expanded, upgraded, or rehabilitated
- Number of indoor skating facilities constructed, expanded, upgraded, or rehabilitated
- Number of outdoor skating facilities constructed, expanded, upgraded, or rehabilitated
- Number of indoor ice pads constructed, upgraded, rehabilitated, or replaced
- Number of outdoor ice pads constructed, upgraded, rehabilitated, or replaced

Investments in swimming facilities

- Number of indoor swimming facilities constructed, expanded, upgraded, or rehabilitated
- Number of outdoor swimming facilities constructed, expanded, upgraded, or rehabilitated
- Number of indoor swimming pools constructed, upgraded, rehabilitated, or replaced
- Number of outdoor swimming pools constructed, upgraded, rehabilitated, or replaced

Investments in parks, beaches and outdoor spaces

- Number of passenger cars purchased, acquired, refurbished, or replaced

Short-sea Shipping

- Number of docks, jetties, piers, quays, and wharves constructed, improved, or rehabilitated
- Number of passenger stations and terminals constructed, expanded, upgraded, or rehabilitated
- Number of shipping terminals, storage facilities, and warehouses constructed, expanded, upgraded, or rehabilitated

Solid Waste

Investments in solid waste collection

- Number of garbage or recycling trucks purchased or acquired
- Number of garbage or recycling trucks refurbished or replaced
- Number of recycling containers (i.e., blue boxes) purchased or replaced
- Number of organics containers (i.e., green bins) purchased or replaced
- Number of waste containers purchased or replaced
- Number of transfer stations constructed, expanded, or rehabilitated
- Number of other collection systems created, enhanced, or rehabilitated

Investments in land disposal sites

- Number of sites closed or decommissioned and number of closed or decommissioned sites enhanced or improved
- Number of dump sites created
- Number of dump sites expanded or improved
- Number of landfarms created
- Number of landfarms expanded or improved
- Number of landfills created
- Number of landfills expanded or improved
- Number of loaders, compactors, dozers, and excavators purchased, acquired, refurbished, or replaced
- Number of site studies completed or updated

Investments in incineration and waste-to-energy facilities

- Number of incineration facilities constructed
- Number of incineration facilities expanded or rehabilitated
- Number of waste-to-energy facilities constructed
- Number of waste-to-energy facilities expanded or rehabilitated

Investments in recycling and organics facilities

- Number of anaerobic digestion facilities constructed
- Number of anaerobic digestion facilities expanded or rehabilitated
- Number of composting facilities constructed
- Number of composting facilities expanded or rehabilitated
- Number of recycling and material recovery facilities constructed
- Number of recycling and material recovery facilities expanded or rehabilitated

Investments in supporting infrastructure

- Length of access roads constructed, widened, or rehabilitated

Sports

Investments in curling facilities

- Number of curling facilities constructed, expanded, upgraded, or rehabilitated
- Number of curling rinks constructed, upgraded, rehabilitated, or replaced

Investments in ice rinks and arenas

- Number of indoor arenas constructed, expanded, upgraded, or rehabilitated

- Length of combined sewer constructed
- Length of combined sewer rehabilitated or replaced
- Length of sanitary sewers constructed
- Length of sanitary sewers rehabilitated or replaced
- Length of storm sewers constructed
- Length of storm sewers rehabilitated or replaced

Other investments in stormwater collection systems

- Number of culverts constructed
- Number of culverts rehabilitated or replaced
- Length of curbs and gutters constructed
- Length of curbs and gutters rehabilitated or replaced
- Length of ditches and swales constructed
- Length of ditches and swales rehabilitated
- Number of stormwater pump stations and lift stations constructed
- Number of stormwater pump stations and lift stations upgraded, rehabilitated, or replaced

Other investments in sewage collection systems

- Number of sewage pump stations and lift stations constructed
- Number of sewage pump stations and lift stations upgraded, rehabilitated, or replaced
- Number of septic tanks installed
- Number of septic tanks rehabilitated or replaced
- Number of sewage storage tanks installed
- Number of sewage storage tanks rehabilitated or replaced

Investments in stormwater management systems

- Number of bioretention and biofiltration facilities constructed
- Number of bioretention and biofiltration facilities rehabilitated or replaced
- Number of outfalls and outlets constructed
- Number of outfalls and outlets rehabilitated or replaced
- Number of snow melt facilities constructed
- Number of snow melt facilities expanded or rehabilitated
- Number of stormwater management ponds constructed
- Number of stormwater management ponds expanded or rehabilitated
- Number of stormwater storage systems installed
- Number of stormwater storage systems upgraded or rehabilitated
- Number of wetlands restored or rehabilitated

Investments in wastewater treatment and disposal systems

- Number of sewage lagoons constructed
- Number of sewage lagoons expanded or rehabilitated
- Number of wastewater outfalls constructed
- Number of wastewater outfalls rehabilitated or replaced
- Number of wastewater treatment plants constructed
- Number of wastewater treatment plants expanded, upgraded, or rehabilitated
